MEMORANDUM FOR: Legislative Counsel
FROM: Director of Central Intelligence
SUBJECT: Telephone Call from Congressman Robert McClory,
22 January 1980 (U)

1. I had a telephone call from Bob McClory at 1720 today. He just wanted to let me know that he was working on legislation to repeal the Hughes-Ryan Amendment. He was working in conjunction with Zablocki who might end up being the major sponsor of the bill. He wanted us to know that he was doing this as a separate bill because he had not yet been able to sort out what his position on charters was going to be. (U)

2. I told him that the Administration had not yet taken a position on whether we wanted Hughes-Ryan amended in charters, in a separate bill or in both; therefore, I didn't have an official comment but I certainly appreciated his informing me and his interest in helping improve intelligence. (U)
